Testimonial

“Kelly is simply the best. I have had the privilege of hearing Kelly speak and working with her one-on-one. As a speaker, she is inspiring and relatable. She connects with the audience as she’s speaking directly to you. And one on one, she encourages you to be the best version of yourself. “

Heather CEO Sandbox Comm

Kelly Featheringham is an award-winning strategic leadership consultant, speaker, and 2x author of the #1 Bestselling book **What’s Your Ripple Effect?** She is the founder of Team Leadership Solutions, where she helps women unlock their leadership potential and lead with impact.

With over 25 years of leadership experience across government, corporate, and international affairs, Kelly brings a grounded, strategic lens to every room she enters. Her approach blends strengths-based coaching, practical systems, and deep empathy, helping women move from overwhelmed to outstanding.

Having led high-performing global teams in male-dominated industries, she understands firsthand the pressure and barriers women face in leadership. Today, she equips ambitious women with personalized tools to lead confidently, navigate change, and design careers that reflect their strengths and values.

Through her programs, including *ElevateHer*®, *U Accelerated*, and the upcoming book *The U Formula*, Kelly is building a ripple effect of empowered, capable women who know exactly how to lead on their own terms.
